The IEEE Malaysia Section Control Systems Chapter and the Faculty of Electrical Engineering, UTM are pleased to announce the 2019 7th IEEE Conference on Systems, Process and Control (ICSPC2019) which will be held in the historical city of Malacca, Malaysia on 13th-14th December 2019.

The conference will provide an excellent platform for knowledge exchange between researchers working in areas of listed below. In addition, it provides an opportunity for the participants from Malaysia and overseas to share research findings and establish network and collaborations. This event calls for local and international participation.

We welcome submissions in these topics:

- **Automation & Robotics**
- **System Identification**
- **Modeling & Simulation**
- **Process & Control**
- **Intelligent Systems**
- **Optimization of Systems**
